

MMUN Roll Call Form

Roll call submissions are subject to the following restrictions and guidelines. Delegates wishing to make a special entrance by presenting a brief video or skit **no longer than one minute** when their nation is called during roll call on the first or second day of MMUN are welcome to do so, providing they follow the instructions below.

Subject Matter

Roll calls must not include any offensive material. Mockery of an inappropriate subject matter, such as terrorist attacks or other tragic events is strictly prohibited, as is the mockery of cultural values, the mockery of religion, and any other content that may be insulting or offensive to delegates or staff. If a roll call is found to be inappropriate, delegates will be **immediately** stopped from continuing their roll call, with possible additional disciplinary action.

Music or Recorded Material/Video

You must email any music or recorded material to the MMUN email, martingrovemodelun@gmail.com if you wish to use any audio material in your roll call. In addition, the audio excerpt you plan to use must be named on the MMUN Roll Call Form. If the music outlined on your roll call form does not correspond with the material you have emailed, your roll call will be cancelled.

MARTINGROVE CI delegates: This form is due in the MMUN mailbox of the main office by **3:20 PM on Thursday, February 14th** or to the MMUN email, martingrovemodelun@gmail.com by **11:59 PM on Sunday, February 17th**. Any audio/video is also due to this email by this time. Any music or recorded material not received by this time will *not* be approved.

Script

If you plan to present a live roll call, **you must provide a script**. If you plan two different roll calls on the two days, you must provide two scripts. The script must include the props that will be used, if any, the space required (i.e. the stage, orchestra pit, etc.), and the spoken dialogue. Inappropriately-used props are prohibited and will be confiscated. Inappropriate behavior will result in the immediate cessation of your roll call. If your roll call differs from what is written on your script, you will be asked to immediately stop your roll call and face additional disciplinary action.

Approval

The Executive Committee will contact delegates, through e-mail, with regards to their roll calls before the date of the conference. Delegates **must** make their e-mail addresses **legible** in order to receive an e-mail to find out if their roll call has been approved. Once a roll call has been approved it may not be changed. The MMUN Executive reserves the right to reject any roll call scripts as they see fit.

Please return this sheet, with your script attached, to the MMUN mailbox in the main office no later than **Thursday, February 14th, 2018 at 3:20 PM.** The form or an email containing equivalent information will also be accepted if mailed to martingrovemodelun@gmail.com by 11:59 PM on February 17th with the audio/video material if needed.
